

The castle fortress is a wonderfully adaptable item of children's play equipment. It is ideal for primary schools and children's nursery's as well as visitor attractions and private clients. Addition and extension is easy, as the structure is modular and interchangeable. The fortress is available with a full range of play accessories. It can also be used for acting, role play and educational purposes within the school day, as well as being an exciting centrepiece.

The castle fortress with turrets, look out towers and gantry

The castle can be completed with a variety of play accessories
